

RATED #1

Boston Solar is ranked the #1 residential solar company

3,900+ Installs

Boston Solar has installed more systems in New England than any other MA-based company

Why Boston Solar?

- ✓ Ranked top solar installer nationally
- ✓ 100% locally owned and operated
- ✓ Top quality components
- ✓ Vertically integrated
- ✓ Local community support
- ✓ 3,900+ installations in New England
- ✓ 25-year warranties
- ✓ Unsurpassed workmanship
- ✓ Internal electricians and crews
- ✓ Highest customer satisfaction ratings

How Solar Works

- 1 - Solar panels convert sunlight into direct current (DC) electricity
- 2 - Inverters convert DC electricity into alternating current (AC) electricity for use in your home
- 3 - Your home uses the electricity required for lights, appliances, etc.
- 4 - Excess electricity is fed back to the grid (utility) and credited on your electric bill

Why Go Solar?

- ✓ Solar is renewable, helping the environment and your family "go green"
- ✓ Energy independence from the utility
- ✓ Save money and control energy costs
- ✓ **Cash flow positive in year one**
- ✓ Attractive state incentives

Payment Options

- ✓ Cash Purchase
- ✓ Solar Loan
- ✓ Solar Lease

With the cash or loan option, you also receive:

- ✓ Incentives: 30% federal tax credit, up to \$1,000 state tax credit
- ✓ Monthly SMART incentive payments
- ✓ 25-year equipment warranties & 10-year workmanship warranty
- ✓ Solar energy monitoring

Earn cash for your referrals!

- ✓ **\$25** when your referral has their free in-home consultation
- ✓ **\$100** when your referral has their solar system installed
