

Accessory Dwelling Units (ADUs) 2.0!

The basics plus new programs to help you create an ADU in Needham

**Wednesday, October 28th
at the Needham Library
7:00 - 8:30 pm**

Come with your questions!!

What does it cost to build an ADU and how can I finance it?

What are the expanded options for ADUs in the new state bylaw?

How can I get help to see if an ADU is feasible for me?

Join the Needham Housing Coalition for a panel discussion and Q&A. Come ask questions about the process, the requirements, the Needham ADU bylaw, and free resources available from the Commonwealth. Hear from Needham residents who have successfully built ADUs here. Direct questions to our Building Commissioner. Learn from ADU designers and builders, including about options for modular ADUs.

ADUs are a valuable small housing opportunity for young people, the local town workforce, seniors, homeowners seeking supplemental income, and others. ADUs are a critical contributor to more housing choices in Needham!

***We hope to see you
on 10/28!***
